Accessibility at Elephant Lodge (Accessible)

The Elephant Lodge (Accessible) has a number of features to assist disabled guests, including;

- A car parking space right outside the front door, if needed. The flooring outside is made of Golconda, a self-binding gravel.
- Wide front door – 2ft 11". There is a very slight step up – 1.5"
- Lowered master bed on the ground floor – 1ft 7"
- Lowered toilet – 1ft 8"
- Moveable shower seat
- Doorway to shower room – 3ft wide
- Size of shower room - 6ft 3" x 7ft 7"
- Lowered sink in W/C - 2ft 4"
- Grab rails in the shower area and WC
- Alarm pull cord in the bathroom and WC
- Lowered units in the kitchenette – 2ft 9"
- Sockets and switches will be located between 1ft 3" to 3ft 3" above floor level
- Switches and controls requiring precise hand movements will be between 2ft 5" to 3ft 11" above floor level

The Lodge is two-storey, so three guests would need to use the stairs to access the bedroom upstairs, with three single beds. Two guests can use the downstairs bedroom, which features a king-sized bed at a lower height.
