

### **Accessibility at Hippo Lodges (Zambezi & Limpopo)**

The Accessible Hippo Lodges have a number of features to assist disabled guests, including;

- A car parking space right outside the lodge, if needed. The flooring outside is hard-standing. An escort is required when you wish to leave the lodge/drive up to the lodge in your vehicle.
- Level floor access for the master bedroom, bathroom/wet room and living spaces.
- Wide front door – 900x2100mm
- Lowered master bed – the bed can be split into 2 singles, please let our team know if you require singles as they will be made as a double by default.
  - Bed frame – 160mm
  - Total height with mattress – 420mm from floor
- Doorway to bathroom/wet room – 900x2000mm
- Lowered toilet – 500mm
- Fixed shower seat
- Size of bathroom/wet room – 2.2mx3.5m – 7.7m<sup>2</sup>
- Grab rails by shower, toilet, sink.
- Lowered sink in bathroom – 760mm
- Alarm pull cord in the bathroom/wet room.
- Lowered units in the kitchenette – 850mm
  - 2 microwaves, with one situated on the kitchen side, 850mm.
- Sockets and switches are 1100mm to centre from the floor.

The 2<sup>nd</sup> bedroom is upstairs and features 2 singles and a bunk bed above them.
