

Habitats

KSI

SESSION CONTENT:

- Describe what a habitat is
- Explain ways in which animals are adapted to their habitat
- Explain how we can help to protect wild habitats

NATIONAL CURRICULUM LINKS/LEARNING OBJECTIVE:

- Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals
- Identify and name a variety of animals in their habitats, including microhabitats

LENGTH – 45 MINS

COST – £50

UP TO 35 PEOPLE
(including staff)

PRE VISIT:

Identify a range of different animals at school or on the Safari Drive.

POST VISIT:

Explore ways that habitats local to your school could be protected.
