

Who Eats Who

LOWER
KS2

SESSION CONTENT:

- Classify organisms as producers, predators or prey
- Use technical terms to describe a food chain you have built
- Explore how humans might impact food chains

NATIONAL CURRICULUM LINKS/LEARNING OBJECTIVE:

- Identify that animals cannot make their own food
- Construct and interpret a variety of food chains, identifying producers, predators and prey
- Explore examples of human impact (both positive and negative) on environments

LENGTH – 45 MINS

COST – £50

UP TO 35 PEOPLE
(including staff)

PRE VISIT:

Research pet animals and find out what food they eat.

POST VISIT:

Look at the teeth of different animals, depending on whether they are a prey or predator.
